

IPFD 3rd International Dog Health Workshop

21 – 23 April / Avril 2017
Paris, France

3^{ème} Workshop International sur la Santé du Chien

Invitation to the venue:

The International Partnership for Dogs (IPFD) and the Société Centrale Canine (SCC) are pleased to invite you to the **3rd International Dog Health Workshop (3rd IDHW)** to be held at the **Novotel Paris Centre Tour Eiffel in Paris, France on 21st - 23rd of April 2017.**

The 3rd IDHW aims to bring together stakeholders of the global dog world in order to share information about the good work done since the 2015 Workshop in Dortmund, including the activities of specific working groups. As with the former IDHWs, this will be a working meeting – attendees are expected to actively participate in discussions and breakout sessions. By providing an environment for both information transfer and active dialog, it is the goal to collectively identify priorities and, where appropriate, specify general or specific guidelines, leading to concrete actions for continued progress. For more information on the program see [Workshop 2017](#) – the conference website – or [DogWellNet.com](#) and for the **preliminary schedule see separate attachment.**

Following on the format of the previous events, the 3rd International Dog Health Workshop is built on networking, discussion and collaboration. This is best facilitated if participants stay at the conference venue, especially as the schedule is rather full. We respectfully request and recommend, therefore, that you stay at the **Novotel Paris Tour Eiffel**, a 4-star hotel located in the heart of Paris, on the banks of the Seine River and at short distance from the Eiffel Tower. It has two restaurants, a bar, indoor pool and fitness room; free wifi and secure car park are also available. A block of single/double rooms are being held from Friday, the 21st to Sunday, the 23rd of April 2017, at the following rates (also available the day before and the day after the event, in case you should wish to extend your stay to do some tourism):

Single room	159,50 € per night, VAT and breakfast included
Double room	176,55 € per night, VAT and breakfast included

Dogs, medium and small-sized, kept on leash, are admitted upon request at reservation.
Fee: 15€ per room/night.

Please fill in the booking form below and send it back to the hotel **by the 15th of January 2017** (please copy anne-mary.chimion@centrale-canine.fr).

We will come back with information concerning the IDHW registration later in the fall.
